## HEREFORD SALE

### WELCOME

Welcome to the 3rd annual Cattlemen's Delight Female Focus Sale. After our successful move to the Jackson County Fairgrounds last year, we plan to bring you an even better offering on October 7th, 2023. This year's sale will feature top female prospects from the heart of each breeding program. Our herds vary in size, but all 5 of the consigning families set out to bring you their best. There are many spring born heifer calves, including several show heifer prospects, and well as many bred females, designed to build and improve your herds. Many of the bred females will be confirmed bred to A.I. dates, to breed leading sires. Several heifers will carry natural service, to high caliber herd sires.

As cattlemen, we have seen prices of feeder cattle, fed cattle, and even market cows, explode higher in 2023, and the next several years look very bright for cattle producers. If you want to capitalize, it's time to own the cows, and build herds. The Hereford breed continues to see tremendous demand for top end females, and Herefords are being shown by young cattlemen and women at unprecedented levels. It's become common for the Hereford classes, to be the largest breed classes, at shows across the country. Lots of families love raising and showing Hereford cattle! The Hereford Jr. Nationals, held in Madison Wisconsin in July, 2023 was again a huge success!

Today's Hereford cattle are also doing well in the pasture, in the feed yard, and on the rail. Hereford breeders have paid attention to genomic data, and have made decisions to improve the final product immensely. Retail and food service volumes of Hereford branded products continue to grow. If you are raising cattle for commercial use, use Hereford genetics with confidence.

You will observe diversity in the pedigrees offered, as each herd operates with different goals and resources. We believe this is an advantage for the prospective buyers, and we look forward to helping you find the cattle in the offering that will help move your herd forward. Feel free to call on any of the Cattlemen's Delight consignors with questions. More information, including individual animal videos, will be made available prior to the sale on Facebook and Instagram. Some additional genomic profiles and pregnancy check information will also be made available during September.

We invite you to an informal social and viewing on Friday, October 6th from 5-8 P.M. If you would like to view particular lots prior to October 6th, please arrange that with the owner. Obviously, we want you to be able to bid and buy with confidence, so please feel free to reach out with any requests.

Thank you for your interest in our breeding programs and we look forward to seeing you at the third annual Cattlemen's Delight sale.

*The Cattlemen's Delight Group, including the Steinhoff, Freidrich, Reed, Boettcher and Starck families*

#### **TERMS and CONDITIONS:**

**TERMS:** Cash or check. Each animal sold to the highest bidder. The auctioneer shall settle any disputes as to bids. All cattle are to be paid for by purchasers during or immediately after the sale and will not be released until settlement has been made, unless other arrangements have been made in advance. No cattle will be transferred until paid for in full.

**GUARANTEE:** All cattle will sell under the terms and guarantees recommended by the American Hereford Association.

**LIABILITY:** Each animal will be at the purchaser's risk immediately after the animal is sold. They will be cared for, free of charge, for a reasonable length of time after the sale, but at the purchaser's risk.

**ANNOUNCEMENTS:** Sale day announcements take precedence over printed matter in the book. The consignors reserve the right to withdraw any sale lot not meeting our specifications prior to sale time. EPDs in the book were current at press time.

**REGISTRATION CERTIFICATES:** Registration Certificates will be transferred to the buyer at the seller's expense. Each buyer must be sure to give the clerk his proper name and address for making transfers. All calves born before the sale will be registered by the sellers. Information will be provided by the seller for the buyer to register unborn calves. Certificates for calves born to bred cattle purchased are the responsibility of the buyer.

### HERE'S HOW IT WORKS

Go to [www.LiveAuctions.tv](http://www.LiveAuctions.tv). Please note that you do NOT need an account to watch the auction, but you do need to register an account and request a buyer number if you wish to bid. If you have not created a new account since September 1st, 2020 you will need to click "Register" in the top right corner of the homepage and create a new account. Once you have completed the form on this registration page and hit the "Register" button you will receive an e-mail with a place to click on to verify you have entered a valid e-mail address. Once you have completed this registration process, find the auction you are interested in on the homepage and click on it (sales are listed in chronological order). You should then see a box that says Login. Now that you have an account with LiveAuctions just type in your E-mail Address and Password. You will now see a hyperlink at the top that says "Request a Buyer Number". The first time you request your first buyer number on LiveAuctions it will send you a text message with a verification code in it. Type the code from the text message into the area requiring it and you will then see your name along with a buyer number listed at the top of the webpage where the live video is and you will be able to bid. You will only have to complete this two-step verification process one time. After that you will be able to immediately request a buyer number on any auction without verification through an e-mail or text message again.

LiveAuctions no longer requires an app. If you wish to view/register/bid on a smartphone just type LiveAuctions.tv in whatever web browser you use. The registration process is the same as it is on a desktop computer, but the website is built mobile friendly. Click on the three lines in the top right corner to access the menus.

**Bidders who are successful in making purchases will be contacted by the ranch after the auction to settle payment and discover your shipping plans.**

**If you need help registering to bid or to view the auction please call Technical Support at (682) 816-4900 or e-mail us at [TechSupport@LiveAuctions.tv](mailto:TechSupport@LiveAuctions.tv).**

# Windy Hills Herefords

Windy Hills Herefords started in 2004 by Mark and Angie Friedrich along with their three daughters, Jess, Kim and Kelley. We currently run 60 cows in our operation. We strive to produce quality cattle that works for all of our customers' needs. Our family has started to grow as we have four grandchildren now that love being around the cattle and showing them as well. Our kids and grandkids have shown a lot of different places with our cattle from county fairs to national shows. We are very proud of our genetics and know that you will be

happy as well. We have enjoyed hosting farm tours in the past for our state association and we look forward to showing buyers what we have to offer in this sale.

Reed Stock Farm started in the Polled Hereford business in 1972 with a purchased show heifer. In 1980 Jeff and Bonnie married and continued raising Polled Hereford cattle. Our three children were very active in showing cattle as they grew up. Our now married adult children, and our grandchildren are very involved in raising and showing Hereford cattle. We have shown at many local, state and national shows. We are all very involved in 4-H and in livestock related organizations. We have sold in consignment sales but most of our bulls and females have been sold private treaty at the farm. We operate 70 to 75 registered Hereford cows featuring AI and flushing to top bulls. We also own high quality natural service sires which produce the core of our cow herd and many of the sale cattle. Our herd is built on female fertility and maternal strength, with high growth and performance. We strive to produce hard working, high performance cattle that will also perform in the show ring. All of our cattle are also bred with feedlot performance potential in mind.

The Boettcher Family  
Butch 715-828-7271  
Brandon 715-533-2470  
Garritt 715-586-0033

The Boettcher Family is honored to be part of the Cattlemen's Delight again this year. We bring an offering of powerful heifer calves and productive young females from the cow families that have built and sustained our breeding program. We have been breeding "Performance cattle with eye appeal" backed by balanced EPDs for over 50 years. Our program emphasizes cattle that have the ability to generate profits in a wide variety of production systems and environments. We select proven AI sires and natural service pasture sires that best complement our cow families. Our breeding goals are substantiated through

performance measurements of birth, weaning, and yearling weights as well as feedlot performance and strict reproductive evaluation. We are humbled by the success stories of how our cattle have performed for our customers and the number of repeat buyers we see each year. Your evaluation of our offering is appreciated and we look forward to seeing you on October 7th in Black River Falls.

- Our lead lot for this sale is always special and this fancy 3-year-old ET daughter of Hometown and our Desert Rose donor dam is no exception.
- 22H has always been a favorite of ours, going back to the original foundation heifer purchased from Sterling Polled Herefords 57 years ago and featuring the same structure and productivity we always select for.
- A maternal sister to our high selling heifer calf last year going to the Bergman family.
- Bred AI on April 24, 2023 to Innisfail Trademark 1939 ET. Vet confirmed safe to AI.

- Karla 87K is a fancy, long bodied Perks Hero daughter out of a heavy milking, young Revved Up cow. Her dark red color, fully pigmented eyes, and stylish profile will make her a favorite in a breeder's pasture.
- The Perks Hero bulls, steers, and heifers have shown us a stellar growth curve through their yearling year and he will be a cornerstone sire for us for several years.
- Pasture exposed from May 8 to July 6, 2023 to Brookview 15E Homer 58H. Vet confirmed safe for an early March calf.

Starck Century Farm has been family owned and operated for over 100 years dating back to 1864. We are a small breeder utilizing 100% AI and whole herd DNA as a production and improvement tool. Enhanced DNA EPDs assist in mating decisions that take a strong foundation cow herd to the next level. DNA testing also guarantees our cattle to be free of any tested genetic defects. We take some of the best phenotypical bulls available and further prioritize them on performance data. We believe we are on the right track in mating cattle that look good and will produce for many years. We boast productivity and balance wrapped in a phenotypically pleasing package. Our herd EDP average is above the AHA average for all traits. This group is one of our strongest submissions to the sale.

All Starck Century Farm females are vaccinated at birth with Calf Guard and Inforce. Prior to weaning with Bovishield Gold, Caliber, Bangs and wormed with Eprinex.

- SCF Kommand 52K is a dark cherry red Chez Divergent daughter out of one of our Home Town 10Y daughters. Her grandam was one of the top heifers purchased at the 2014 Wisconsin Hereford Association's state sale and sure to produce great calves.
- Kommand is halter broke and has a very gentle disposition.
- Bred AI on April 16, 2023 to Churchill Kickstart 501C and ultrasound to a heifer calf. Both will provide the buyer longevity and maternal function for years to come!
- Due January 26th, 2024.
- Homozygous polled. MDF.

Established in 2003, by Dave and Laurie Steinhoff, Steiny's Herefords is a 55 acre farm located between New Lisbon and Camp Douglas, Wisconsin. Over the last 20 years we have worked to raise sound, functional females and bulls that are phenotypically attractive, all with exceptional EPDs. We are proud to say we have Dams of Distinction within our program. Dave and Laurie were honored with being inducted into the Wisconsin Hereford Association Hall of Fame this year. Steiny's Herefords has had successful show cattle, and our customers have experienced success in the showing as well. Dave and Laurie both work full time off the farm and depend on children, Tim Bowen and Liz, Bryan, Morgan and Josephine Johnson, for their support in the farm day-to-day activities. Additionally, Liz maintains the farm marketing program and you will see her on the halter of the show cattle. The farm truly is a family affair; breeding, calving, haying, feeding, and working cattle require all hands-on deck. We are excited to exhibit this year's offerings: Lots 43-50, from Steiny's Herefords and look forward to seeing you at the 3rd Annual Cattlemen's Delight Sale. Feel free to contact Steiny with any questions at 608-344-0140.

- Steiny's Herefords are offering what we feel is an outstanding Fall Bull to the sale. He offers up an abundance of rib shape, with a lot of width and muscle shape throughout. With that being said he has a nice front end and stands on a great set of feet and legs.
- His dam is an outstanding female that has a beautiful udder and is MD free.
- Don't miss this opportunity to purchase an outstanding young herd sire that is ready to go to work for your herd.

- Here is a MD-FREE Hometown 10Y daughter that is due to calve Nov. 19, 2023. Hope was a hard decision to put in the sale but we want to keep offering some of our best. She has cow power all throughout.
- AI bred to the 2x National Champion Bull, PCC 7009 173D Maverick 0183 ET and we feel this could really be a bell ringer!
- Don't miss this goggled female right here.

- Haley did an amazing job with her first calf. She laid down, spit the calf out and raised him like a first calf heifer should.
- She is bred back AI to the 2x National Champion Bull, PCC 7009 173D Maverick 0183 ET. She is due to calve 11 days after the sale on Oct. 16, 2023. So, this is a two-for-one. She carries a beautiful udder and she is a more moderate framed cow which is a good thing in my book.
- She really needs to be looked at as she's one to see!

- We are offering this cow up with a May 7, 2023 heifer calf at side, sired by Blue B 2296 Pie. THESE WILL SELL AS A PAIR.
- Angelina is a nice uddered cow and she also knows how to raise a calf. Her heifer calf at side is an amazing young little female that will also be a good productive cow. This calf could show! The cow comes bred back to our herd sire we purchased from Pierce's Hereford Haven, PHH 836 Fresh Prince 207 and has been pasture exposed since May 21, 2023.
- TAKE A LOOK HERE ... 3-for-1!! This is a rare opportunity.
